Robert Ferrell, Sheriff

Bryan Ward, Chief Deputy

The Hardy County Sheriff's Office places emphasis on crime prevention, criminal apprehension, and prosecution. With the population of the county growing, we are aware there is a need to provide traffic speed enforcement as part of an ongoing crime prevention program. In an effort to locate specific problem areas, please fill out this form to assist us. Our goal in this endeavor is to slow a majority of traffic in a specific area down, not to write "tickets", but tickets may be issued. If you have a specific vehicle that is speeding, notify us and we will take measures necessary to slow that person's speed. Requests will be kept confidential.

Print this form, fill it out and mail or fax to the Hardy County Sheriff's Office.
